WIVENHOE · ESSEX

INVESTMENT PROPOSAL

25 low-carbon homes in three ZON models, 70 minutes from London

INDICATIVE AND NON-BINDING · CONFIDENTIAL

October 2026

INVESTMENT SUMMARY

25 HOMES · THREE ZON MODELS

25 HOMES	1,988 m² RESIDENTIAL AREA	£9.92m GDV · CONSERVATIVE	£7.99m TOTAL DEVELOPMENT COST
£1.93m PROJECT PROFIT · 19.5%	£2.40m PARTNER CAPITAL	12% TARGET PREFERRED RETURN P.A.	24 MONTHS TERM

Conservative private-market case, before the partner preferred return. A 30% affordable-housing case is shown alongside on the scenarios page.

THE SITE

CROQUET GARDENS

Item	Detail
Area	3.52 acres · freehold
Planning	Outline: 25 bungalows + 60-bed care
Transport	Station 0.7 miles · London 70 min
Flood risk	Zone 1 · SuDS drainage
Location	Wivenhoe, Colchester, Essex

Masterplan for reference. A measured CAD schedule will confirm plots, roads, parking, drainage and biodiversity.

THE CONCEPT

A VILLAGE, NOT AN ESTATE

Quiet lanes with no through traffic, private hedged gardens and homes built off-site by ZON with heat pumps and solar PV.

SCHEME AND SALES

WHAT WE BUILD AND SELL

Model	Homes	Size	Total area	Price	GDV
Lake House Compact	15	61.5 m²	922.5 m²	£350,000	£5,250,000
Lake House	7	92.2 m²	645.4 m²	£410,000	£2,870,000
Country Residence	3	140 m²	420.0 m²	£600,000	£1,800,000
Total	25		1,987.9 m²		£9,920,000

Conservative prices pending written opinions from local agents and an independent Red Book valuation.

PROJECT ECONOMICS · CONSERVATIVE CASE

BEFORE THE PARTNER RETURN

£9.92m	£7.99m	£1.93m
GDV	TOTAL DEVELOPMENT COST	PROJECT PROFIT

19.5% margin on GDV

24.2% margin on cost

£77,283 average profit per home

Project profit is before the partner preferred return and is not ZON's profit. The split is shown on the waterfall page.

DEVELOPMENT BUDGET

£7.99M TOTAL

Construction at £1,700 per m² on 1,987.9 m² is a working assumption, subject to a QS cost plan and a fixed-price scope.

Use of funds	Amount
Land	£1,500,000
SDLT, legal and acquisition	£90,000
Construction of 25 homes	£3,379,430
External works and utilities	£875,000
Contingency	£212,722
Design and consultants	£425,443
S106, RAMS and BNG	£429,000
Marketing and sales	£285,500
Finance	£790,839
Total development cost	**£7,987,933**

Land value of £1.5m is a placeholder until the purchase price or option terms are agreed.

FUNDING STRUCTURE

PARTNERS PAID BEFORE ZON

01 · SENIOR LENDER · 70%

£5.59m

Repaid first from sales, with interest.

02 · PARTNERS · 30%

£2.40m

Capital plus a target 12% annual preferred return.

03 · ZON

Residual

No distributions to ZON before partners are repaid.

The 70 / 30 split is indicative and depends on the lender term sheet, loan-to-cost and loan-to-value limits, the drawdown schedule and security terms.

PARTNER RETURN

WHAT PARTNERS RECEIVE

12% simple, 24 months	Amount
Partner capital	£2,396,380
Preferred return	£575,131
Total repayment	£2,971,511
Multiple on capital	1.24×

Target 12% annual preferred return, calculated on drawn and outstanding partner capital. The final return depends on the timing of drawdowns and repayments.

PROFIT WATERFALL

WHAT REMAINS TO ZON

Conservative case	Amount
Project profit before partner return	£1,932,067
Partner preferred return	(£575,131)
Illustrative residual profit to ZON, pre-tax	£1,356,936
Cover of partner return	3.36×

If 12% is calculated as a true IRR with all capital drawn on day one, the return over two years is about £609,639.

SCENARIOS

THREE CASES, SIDE BY SIDE

Measure	Planning: 30% affordable	Conservative private	Upside
GDV	£8.800m	£9.920m	£11.470m
Total development cost	£7.957m	£7.988m	£8.030m
Project profit	£0.843m	£1.932m	£3.440m
Margin on GDV	9.6%	19.5%	30.0%
Partner preferred return	£0.573m	£0.575m	£0.578m
Residual to ZON, pre-tax	£0.270m	£1.357m	£2.862m
Cover of partner return	1.47×	3.36×	5.95×

The affordable-housing share is not yet confirmed. The planning case applies until S106 terms are agreed with the council.

RISKS AND CONTROLS

EVIDENCE BEFORE CAPITAL

Risk	Control
Affordable housing	Confirm S106 terms and indicative RSL transfer values before funding
Land price	Conditional contract or option, price capped against residual value
Sales values	Two written local agent opinions and an independent Red Book valuation
Construction cost	QS cost plan and fixed-price scope confirming the £1,700/m² working assumption
Planning	Confirm the two-storey Country Residence within the bungalow consent
Site capacity	Measured CAD schedule for plots, roads, parking, SuDS and BNG
Sales timing	Phased build, reservations monitored before main construction

PROGRAMME

24 MONTHS

Months 0–3

DEAL

Land agreement, due diligence, funding terms

Months 3–9

CONSENT

Planning, engineering, valuation, procurement

Months 9–18

BUILD

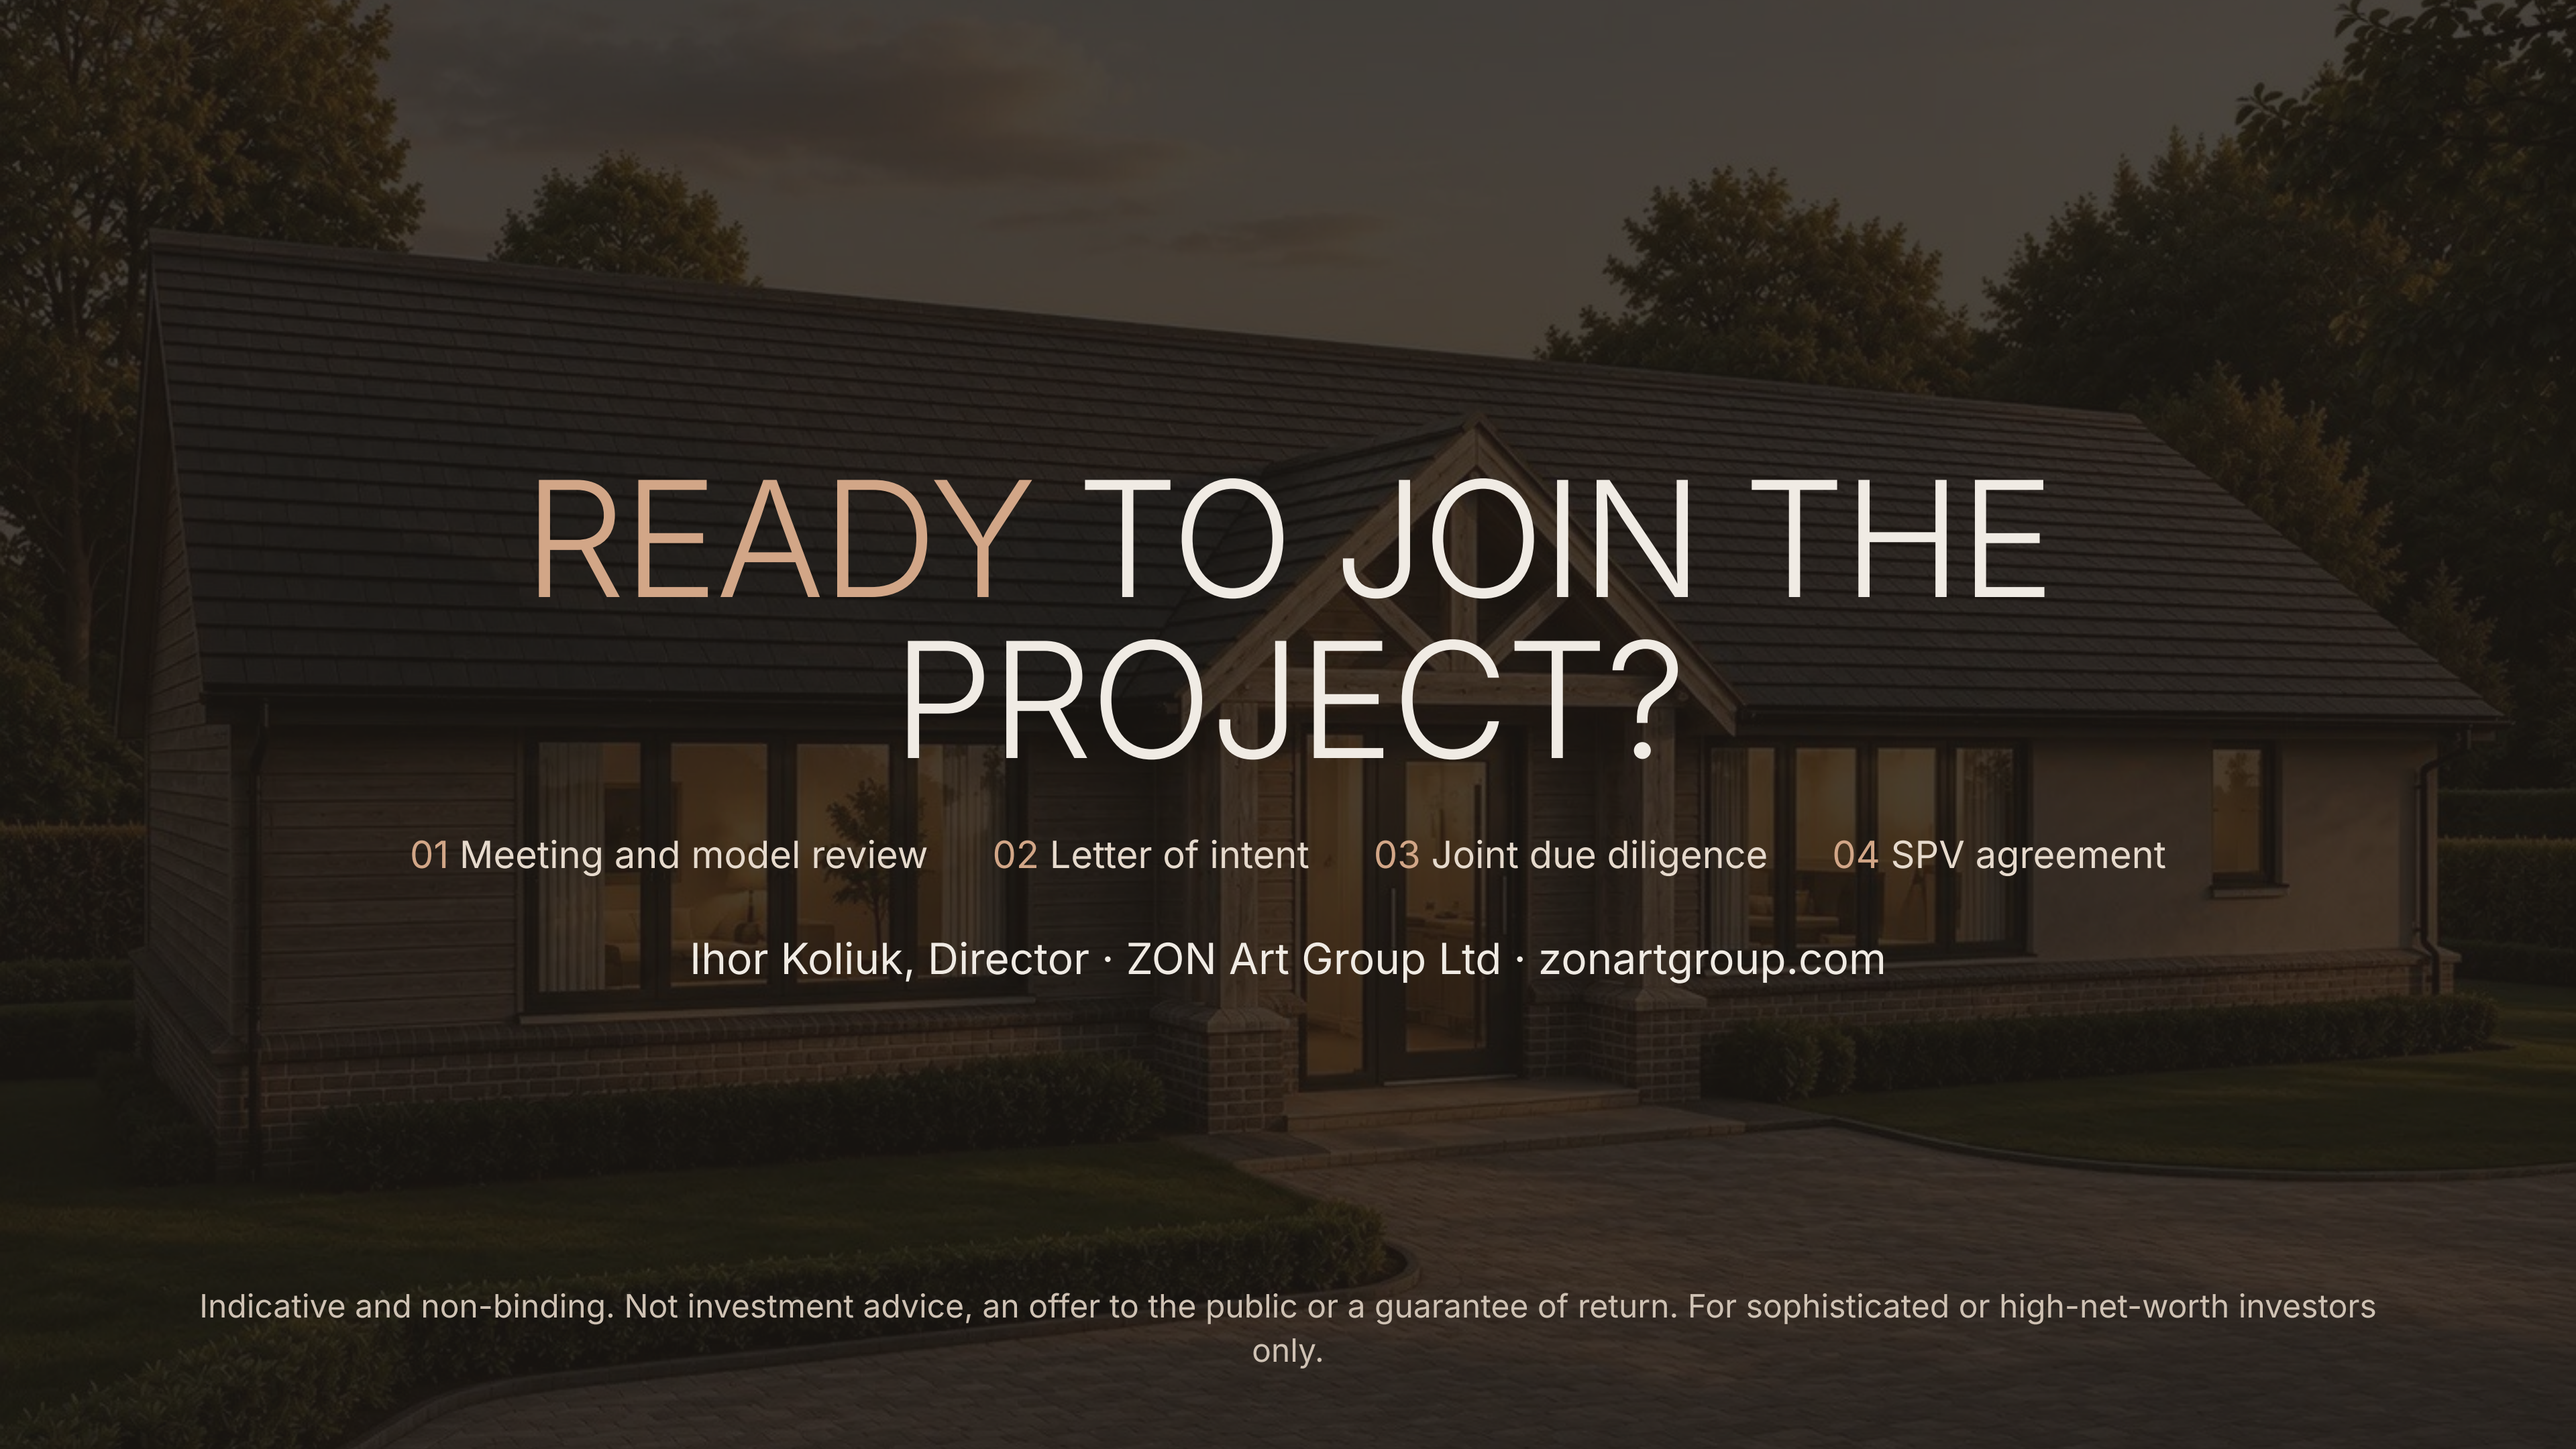

Groundworks, manufacturing, assembly

Months 15–24

SALES

Completions, sales and repayment

Indicative until the planning route, construction programme and lender drawdown conditions are confirmed.
